Application of Excess Volume Rates:

Rates will be determined based on the shipper's total volume delivered to Pittsburgh International Airport, during the 3 consecutive calendar month periods beginning on January 1, April 1, July 1 or October 1:

- (i) when the 3 month total volume is 850,000 barrels or less, then Base Rate in column (a) shall apply.
- (ii) when the 3 month total volume is more than 850,000 barrels, the Base Rate shall apply to the first 850,000 barrels, and the Excess Volume Rate in column (b) shall apply to all barrels in excess of 850,000.

Total volume includes all pipeline shipments transported to Pittsburgh International Airport passing thru Buckeye Pipe Line Company's terminal and metering facilities at Coraopolis from all points of origin except as denoted on the Table of Rates. These excess volume rates expire December 31, 2000.

Notes:

Aviation Turbine Fuel will be transported on a fungible basis.

(1) Service at Coraopolis, Pennsylvania from Barges.

(2) Shipments from this origin point are not included in excess volume totals.
