Notes:

- (a) Applicable to gasoline only.
- (b) Applicable to all refined petroleum products, except gasoline.
- (c) All segregated batches from Eagle Point, NJ, Booth and Chelsea Junction, PA of less than 50,000 barrels shall be assessed a handling fee calculated to equal \$0.05 x (50,000 - number of barrels in the batch) in addition to the transportation charge.

Petroleum products tendered for shipment from New Jersey origins to established delivery points may, by request of the owner of the shipment, be stored in facilities at Macungie, Pennsylvania which are intermediate to the final destinations and which are furnished by the owner of the shipment. Such facilities furnished shall be designed to deliver shipments to the carrier with an adequate suction pressure at the maximum pumping capacity of the carrier's pumping station at Macungie, PA when shipments are delivered from storage for shipment to final destinations.
