Rates in Cents Per Barrel of 42 United States Gallons

		FROM: (Origin)	
		INDIANA	
TO: (Destinations)	County	CHICAGO COMPLEX ⁽¹⁾	
		Code	Lake
INDIANA			HD
HAMMOND	Lake	EH	24.95

Application of Contract Rate in Table 2:

The rate in Table 2 applies to the shipments of any Shipper agreeing to a written contract with the Carrier containing the following terms and conditions:

- 1) The minimum term of the contract shall be four (4) years
- 2) Shipper agrees to tender a minimum of 760,000 barrels per month
- 3) In the event Shipper fails to tender the Minimum Monthly Volume during any Contract Month (the amount of such deficiency, in Barrels, the "Volume Deficiency"), then Shipper shall pay Wood River an amount equal to the product of (x) the Volume Deficiency times (y) the then-applicable Incentive Tariff Rate (such product, the "Monthly Deficiency Charge"). During the first Contract Year of the Term, should Shipper pay a Monthly Deficiency Charge during such first Contract Year of the Term, such Monthly Deficiency Charge (or aggregate of such Monthly Deficiency Charges), for up to a maximum of 6,205,000 Barrels, may be applied as a credit toward volumes shipped and throughput that are in excess of the Minimum Volume hereunder for any subsequent Contract Month during the first four Contract Years of the Term; provided, however, that Shipper shall not be able to achieve a credit in excess of 517,000 Barrels per Contract Month during the first Contract Year of the Term. During the second, third and fourth Contract Years of the Term, should Shipper pay a Monthly Deficiency Charge during such Contract Years of the Term, such Monthly Deficiency Charge (or aggregate of such Monthly Deficiency Charges), for up to a maximum of 2,920,000 Barrels for each such Contract Year, may be applied as a credit toward volumes shipped and throughput that are in excess of the Minimum Volume hereunder for any subsequent Contract Month during the second, third and fourth Contract Years of the Term; provided, however, that Shipper shall not be able to achieve a credit in excess of 243,300 Barrels per Contract Month during the second, third and fourth Contract Years of the Term. All accrued but unused credits shall immediately expire at the end of the fourth Contract Year.

Notes:

- (1) Chicago Complex consists of the following locations: East Chicago, Lake County, Hartsdale, Lake County, and Lake George, Lake County. In this table, Hartsdale is the applicable location.
